MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

May 31, 2005

The County of Riverside recently adopted an ordinance regarding the release of registered sex offenders. The ordinance conveys the County's frustration for the State's insufficient supervision of registered sex offenders. One aspect of this failure by the State stems from lack of funds appropriated by the Legislature to place paroled high-risk sex offenders on an intensive and specialized supervision caseload as required under Penal Code Section 3005.

I, THEREFORE, MOVE that the Board of Supervisors send a letter to the Governor and the State Legislature requesting that they appropriate the necessary funding for the adequate monitoring and supervision of sex offenders.
